

Maddy Weavers

Editor and cultural consultant with a background in architecture and broad knowledge of contemporary art and design. 6+ years of freelance experience working with illustrated publishers and major cultural institutions.

EXPERIENCE

Cultural Strategy, Branding, and Editorial Consultant (Jan 2024 – present)

Projects with Jane Wentworth Associates:

- Conduct primary research through interviews with industry experts, government figures, internal stakeholders, and adjacent cultural leaders
- Synthesise insight from global experts alongside desk research to inform strategic recommendations
- Generate creative strategic options and scenario models for institutions to test and evaluate for fit
- Design and facilitate collaborative workshops that engage staff at all levels

Projects with Point of Reference Studio:

- Lead comparator research and internal review with a focus on archive, legacy, and organisational identity
- Co-develop future positioning strategy, define long-term direction and differentiation
- Author tone of voice guidelines and produce copy frameworks for organisational-wide adoption
- Review and refine brand and web presentation with designers

Deputy Editor, Real Review Magazine | biannual culture magazine, London (Sept 2022 – present) *previously Associate Editor (Apr 2021 – Aug 2022)*

- Develop thematic editorial for each issue with the editor-in-chief and board of contributing editors
- Commission, closely develop and copyedit work of around sixteen contributors per issue
- Manage the editorial budget and schedule, coordinating with designer and copyeditor throughout production
- Oversee print production and distribution, liaising with the printer and coordinating with UK, EU and Australian distributors as well as independent global stockists
- Lead various public-facing events including lectures, panel discussions and book fairs

Content Director, Bofill Taller de Arquitectura | architecture studio est. 1963, Barcelona (Mar 2024 – present)

- Direct and manage production of all content across the studio's website and social media, leading a cross-disciplinary team of graphic designers, architects and external collaborators to publish illustrated building projects and editorialised material
- Edit printed content for external collaborations (e.g. publications with Humboldt and Lars Muller, features in DOMUS and ARCH+)
- Edit content for internal communications and client-facing presentations, tailoring content for high-profile clients across a wide range of international contexts (e.g. Saudi Arabia, Albania, Benin, Morocco), working closely with the studio's senior leadership
- Lead the publication strategy for the studio's archive, working closely with the archivist to identify significant material and bring it to wider audiences (including through an upcoming show at the Pompidou, Paris)

Assistant Editor, Apartamento magazine | design-book publisher & magazine, Barcelona (Sept 2021 – Sept 2023)

- Commissioned, developed and copyedited texts for the magazine and an annual programme of six books, managing relationships with multiple high-profile contributors per title on subjects across art and design.
- Planned and produced targeted content for launches across multiple channels (emails, social media, website, events, merchandise)
- Collaborated closely with the design and wider editorial team on the visual development of each book
- Wrote and designed weekly newsletters for members with extra special content

Editorial Assistant, Drawing Matter | *charity exploring drawing in architecture, London* (Sept 2020 – Sept 2021)

- Edited and formatted 5x digital articles per week
- Copyedited the print journal and multiple books
- Taught at Summer School for sixth-form students and judged annual writing competition
- Received and filed new acquisitions in detail
